Don't Stop Believin' and Gaby Moreno

A group of professional musicians from Los Angeles have joined together to pay tribute to a great American band. They call themselves "Don't Stop Believin'." As faithful fans of Journey's music, DSB is committed to staying true to Journey's legacy, while bringing a fresh pulse to the heart of their songs. Since its inception, DSB fills venues to capacity with crowds singing and cheering the great hits of this chart-topping band. DSB infuses the air with electricity and ignites the crowd with energetic fire! Kick-starting this summer concert event will be the Winner of the 2006 John Lennon songwriting contest, Gaby Moreno. Besides writing her own music, her songs have been featured on various hit TV shows, including "Parks and Recreation." Gaby Moreno is on the rise. She's excited for a new decade, new changes, and new challenges. She can't wait to see you out there!

An Evening With Rita Coolidge: Special Guest Kina Grannis

Most music fans have a favorite song recorded by two-time GRAMMY® award-winner Rita Coolidge – "Fever," "We're All Alone," "One Fine Day," "(Your Love Has Lifted Me) Higher & Higher," "The Way You Do The Things You Do," "All Time High," "Superstar," and so many other memorable tracks that topped the charts from the 1970's onward. It is perhaps due to Coolidge's pop and rock pedigree that many of her fans are unaware of her longstanding affection for jazz, but her latest album is full of wonderful jazz standards. On this beautiful summer evening she is sure to delight the concert fans of Lake Forest with music from the entire spectrum of her career. Kina Grannis returns to the summer concert series with a new album and a new spirit. It has been said of Kina "the guitar sings in her hands and her voice cuts through the room." Her lyrics tell a story, spill out emotions, and confront the eccentricities of life.
